Series D29/5: Manuscript and typescript plays, bound volumes of plays and recitations.

Date: 1897-1909 (creation)

Scope and content: Olga Greig Comloquoy was a member of the Whitedale Concert Party. Each year the amateur group would perform a concert at the Whitedale regatta to help raise funds. The group also toured Shetland putting on concerts. Olga would recite poetry and take part in sketches. It seems likely that many of these plays would have been used for this purpose.
